STRUCTURAL STABILITY CERTIFICATE

It is certified that I have inspected the Existing School Building **D. C. Model Sr. Sec. School**, Sector- **09, Faridabad, Haryana. (Affiliation no.- 530531)**

The Structural parts of the building (Ground Floor, First Floor, Second Floor and Third Floor with R.C.C. slab) are in accordance with the Haryana Building Code-2017. The structure has been designed in accordance with the provisions of the national building code and the relevant Indian standard code (with latest amendments) including bureau of Indian standard codes for structures resistant to earthquakes and other natural hazards. The local soil conditions, its load bearing capacity and the underground water table etc. have been kept in view while designing the same.

The building is structural safe and secures to run for educational institute.
